SPECIAL NOTICES.

DR. KNIPS' ADVICE.
Thousands of men on each side today, who might have been saved from the horrors of the battlefield, have been killed because they did not follow the advice of Dr. Knips. This advice is given in a small book, "The Soldier's Guide," which is sold everywhere. It contains the most complete and reliable information on all matters relating to the soldier's health and conduct. It is a book that every soldier should have with him. It is a book that every soldier should read. It is a book that every soldier should follow.
